

Launching Medicinal Products in Europe

360° Navigation of Strategy, Compliance, & Commercialization

Tuesday, 9 September 2025
- 11:00-12:00 CET
- 17:00-18:00 CET

LUMINANCE

Are you planning to launch medicinal products in Europe?

The Luminance Health webinar is designed to equip life science professionals with the insights and tools needed for a successful European launch.

Discover how combining expertise in regulatory affairs, quality assurance, pharmacovigilance, compliance, finance, and commercial strategy can accelerate your market access.

LUMINANCE

fostering meaningful growth

Gain insights from our experts on how a unified approach across regulatory affairs, quality, pharmacovigilance, compliance, finance, and commercialization can simplify your journey to market.

- **Regulatory Affairs:** Regulatory strategy best practices for a successful launch and lifecycle management.
- **Quality Assurance:** Strategies to build and maintain diverse Quality Management Systems (QMS), ensuring compliance and supply chain integrity.
- **Pharmacovigilance:** Mandatory roles, safety surveillance, signal detection, and risk management.
- **Finance:** Tax considerations across key EU markets.
- **Commercialization:** Go-to-market planning, localization, and stakeholder engagement.
